Divorce Your Car Katie Alvord - ww.monkeysidea.com

<u>Divorce Your Car</u>, by Katie Alvord, is thought provoking. In the United States of America, an automobile is many things to many people: transportation, status symbol, hobby, money pit. Alvord takes apart the place of the car in modern society (the focus of the book is on North America, though she does refer to Europe and the Third World in places) and roundly condemns our dependence.
