Examined Life Documentary Summary

Examined Life, genuinely tries to bring the philosophers into contemporary ethical questions concerning how we shop, design our cities and think. It maintains an eye both to a twittering age without the time to sustain interest in five hundred page philosophical works as well as a return to a Socratic philosophy which was more interested in the rhetorical and dialogical effervescence of speech.

Examined Life — Timothy Stanley

Examined Life pulls philosophy out of academic journals and classrooms, and puts it back on the streets. Offering privileged moments with great thinkers from fields ranging from moral philosophy to cultural theory, Examined Life reveals philosophy's power to transform the way we see the world around us and imagine our place in it.
