International relations | politics | Britannica

This book is a major contribution to the debate about philosophy and method in history and international relations. The author analyses IR scholarship from classical realism to quantitative and ...

(PDF) History and International Relations

Complaints about the absence of coherent research and teaching links between the study of history and that of international relations (IR) are commonplace. Historians have long denounced IR as indulging in ahistorical generalization, while IR scholars denounce historians for relying on obscure micro research, or what the French call the *fond de tiroir* ("scraping the barrel" is one possible translation).

History and International Relations - International ...

The history of international relations is generally traced back to the Peace of Westphalia of 1648 in Europe, a stepping stone in the development of the modern state system. During the preceding Middle Ages, European organization of political authority was based on a vaguely hierarchical religious order.

International relations - Wikipedia

It takes a global comparative perspective in telling the history of international relations in the period 1945-91, and the development of a 'New World Order' to 1998. Key themes will include nuclear tensions and the space race, and the proxy-wars waged in China, Korea, Afghanistan, the Middle-East and elsewhere in an era of 'peace that is no peace', as George Orwell predicted in August 1945.
