The Vacation Home LLC Sep 3, 2015. A family vacation property is its own type of unique asset, and as such, it deserves its own structure for decision-making, succession, and managing transitions within a family. A well-conceived governance structure for a vacation property involves many practical issues.

For many household names, a place to relax abroad means a break from the American paparazzi and gaggles of fans. But there are plenty of other reasons to buy a foreign patch of land, too — in the case of Lenny Kravitz, he chose to dispense with an American residence altogether, and he now splits his between time the Bahamas, Paris, and his sprawling Brazilian estate, located just outside of ...

Limited Liability Company. Parents can put vacation property into a Limited Liability Company (LLC). They keep at least 51 percent ownership of the LLC and designate their children as shareholders of the rest. The LLC can be dissolved or changed at any time. This is another way for parents to reduce their taxable estate.

8. Access to Other Vacation Homes Many second homes are located in areas that people like to visit - resorts, golf courses, mountains, seashores - and their attraction is universal. As a result, owners in one location often arrange to trade time in their house for time in a home located in another region. This is referred to as a home exchange.
